

INTRO:

So you think you know mythology? Come visit *Residents of Proserpina Park* today and find out!

SAM:

My name is Sam, who are you?

ALINA:

My name is Alina, I'm a student reporter investigating a current online rumor about this park. I want us to be friends. No offense, I feel like you need more of those.

SAM:

This park... isn't exactly that safe. Mythology was created to warn people of the past what not to do.

ALINA:

So how bad could the rest of the park be?

KAPPA:

I am a Kappa.

ALINA:

What's a Kappa?

KAPPA:

(growls) Hold still!

DREW:

Hey, stay away from us you freak. Don't think I won't hurt you, I got a bat!

KAPPA:

Enough! Just give me your shirikodama!

THE JERSEY DEVIL:

What is this? Another human? Here in this park?

ALINA:

The Jersey Devil? That's a real thing? So we're currently talking to a murderer right now.

THE JERSEY DEVIL:

I'm a devil.

ALINA:

(gasp) O-oh my god, dragon!

SOUND: *Dragon's roar.*

JUN:

Alina, you're too close to those things, get over here!

DOG:

Let's go Alina, now!

ALINA:

Sam, what are you doing here?

SAM:

You promised, never to bring people here.

ALINA:

Sam, what's going on? You're scaring me.

SAM:

I should have never allowed you to come here.
